

FEDERAL CREDIT UNION

Skip-A-Payment Request

YES! I would like to participate in Materion Federal Credit Union's Skip-A-Payment Program.

There is a \$25.00 processing fee for each loan which may be deducted from your savings or checking account. Processing fees may not be added to the loan. Your loan must be at least twelve months old with a current payment status. Interest will continue to accrue and the skipped payment may cause the loan to extend beyond the scheduled payoff date. Only one skipped payment per year. Request must be made prior to payment due date. Excludes mortgage loans, home equity loans/lines of credit, and Visa.

I authorize Materion Federal Credit Union to extend my loan payment as requested here. I understand that the skipped payment will be added to the end of my loan. In addition, I understand that interest will continue to accrue on the unpaid balance of my loan and that the skipped payment may cause my loan to extend beyond the expected maturity.
