Review your account statements! Sometimes reporting fraud has deadlines of 60 days or less, depending on the type of transaction. Don't let unopened statements sit on the counter - a quick review of your statement to notice any unusual activity could save you time and money down the road!

Tap to Pay is Coming Soon for Debit Cards!

We already have mobile wallet (Apple Pay and Google Pay) but we're in the final stages of testing "Tap to Pay" meaning you won't have to insert your card - you just tap it! Watch our website for more information, but we're hoping to have that live by the end of the year!

Are You Traveling this Holiday Season with Your Materion FCU Debit or Credit Card? **Please Tell Us!**

For security measures and fraud protection for our members, we keep a geographical limit on where our debit and credit cards can be used. If we know you're travelling, we can expand that to the area you'll be visiting. Give us a call - it takes less than 5 minutes.
